ARSA Lobbying Fund Contribution Form

Tax rules prohibit tax-deductible member dues from being used to pay for lobbying. Lobbying is defined as influencing legislation; therefore work on a specific legislative provision (such as S. 4, dealing with repair station security) qualifies. ARSA has a fund which members may contribute corporate or personal money that is used solely for lobbying efforts. This money is not tax deductible.

Please provide the following information to help us process your contribution to the lobbying fund and to ensure that we are fully compliant with all legal requirements.

This is a personal contribution corporate contribution

If you have made a personal contribution, please provide your personal information; if you have made a corporate contribution, provide your company information only.
